29th April 1867.

Hon. A. G. Taylor,

Com of Indian Affairs.

Washington D.C.

Sir. The Settlers upon
the absentee Shawnee lands lying within
the Counties of Douglas Franklin and
Johnson are very desirous to obtain a title
to their lands they also claim that they should
be allowed to purchase the same at the Minni-
mum price of \$1.25 per Acre, I desire to draw
the attention of the Indian Bureau to the Con-
sideration of the question in order that I may
be enabled to present an Argument if required
upon the Subject.

Respectfully

Your Obedt Servant
