

Clatskanie
Apr 22^d 1867.

Sir.

Enclosed please find deed, from Rogers, a
Shawnee Indian, to Ranft, duly sent you for
approval. Why are not deeds sent back after
they are approved, at once? I received three
deeds last May, with your favor of the 15th May
1867, which had been approved two years &
four months previous to the date of your favor.
I have several deeds in your office, which I
sent you, from two to three years ago, and from
which I have received no intelligence, since I
sent them. And my Clients are becoming
most uneasy in regard to the matter.
Any information in regard to any of my deeds
thus, will be most gratefully received by myself,
as well as my Clients, who are directly interested.

Hoping to hear from you at once
Human

Yours Respectfully

L. F. Plagitt
atty at law.
