Dear Mr. Moxley
Re: Indian affairs.
Washington D.C.

Sir:

I bought a piece of land from Dubby Sackett
as guardian of the Blackfish Tribe, in the year
1864. The deed was sent to your office by
Judge Blodgett of Olathe, and he informs
me that the late restrictions forbid the appro-
val of the deed, until Indian Proclamations are
assumed by the Govt. As I have spent over
\$2000. in improving the land, and as I have
nothing to show that I own it. I wish you
would send me a certified copy of the deed
and the Certificate of the U.S. Agent and
of the Chiefs, recommending the sale.

Send Bill of Exp. I will remit at once.

Yours

Wm Crozier

P.S. Direct your communication to Geo W
Johnson Secretary Kansas.
